Notes to all members

Paddling is why we are all members of the WKCC, Paddle often and have fun, and be safe at all times. The best way of improving your skills and experience is to paddle often. If you are unsure about a particular trip or river then speak to someone. In the first instance ask the person who's name is allocated, failing this ask one of the club coaches. They are a huge amount of knowledge and experience and are only too willing to offer guidance and advice.

Do not be put off coming to sessions that you think may not be of interest, there is always something to learn and something new to try in the world of Kayaking & Canoeing.
