Pershore Rugby Club is 3/4 along Church Street. Please be considerate when driving through Wyre Piddle village as the local residents support us with access to the river to allow this event to take place.

Note you cannot enter Wyre village from the Evesham end of the A44 as you will be traffic camera photographed and fined so take care. The Google Map and directions available here allow you to zoom in and out and switch to aerial view and drag the centre of the map around to find the parts you wish to see in detail.
