**4 star touring, 4 star WW Kayak assessment, 4 star Open Canoe Assessment, MWE courses** – We haven't added these to the programme as we aren't sure of the regional demand. We can certainly host them if required, so if you are interested then please get in touch and we will do our best to arrange something suitable for you.

**UKCC coach courses** – I purposely haven't put a L1 or a L2 coach course into the programme this year as there seems to be more supply than demand at the moment. If anyone out there wants a coaching course then please get in touch with me. If there are a lot of people then we'll organise a regional course. Otherwise I'll signpost people to other courses being run.

With all the above courses, booking is via Ian Dallaway. It is important to book early for these courses as they have filled up quickly in the past. More information on all the above is available on request.

**Regards**
