#### Note Regarding Thursday Evenings...

All members are welcome to the pool every Thursday night. When there is a specific session in the Programme, the organiser of that session will use either the whole pool or partition off 1/3 or 2/3 of the pool for their use. What is left will be available for general use. Where a 'Family Session – General' or a 'Club Session – General' is in the Programme, the whole pool will be available for everyone to share. Depending on numbers there will be changeover periods to allow everyone to have time on the water.
